If he tries to force this second deal down our throat at the 11th hour, then we delist.
And a binding LOI? With last month's date on it?
He makes Harvey stay up till 1pm on sat nite to do this crap??
If he won't close our financing under the term sheet, bill all your time to him!
By the way, who is Tara?

Robb, I'm waiting to drop in the post and pre cap table, I have sent my version to BH for a pre review before dropping the cap table in.

Please lets speak in the AM to go over.

Harvey
